# Folding Instructions

Follow these instructions to make your chatterbox.

1. Turn the page over and fold each corner to the opposite corner.
2. Open and then fold all corners to the centre of the paper.
3. Turn over so the folds you made are face down.
4. Fold the corners to the centre of the paper.
5. Fold in half vertically and open.
6. Fold in half horizontally and open.
7. Slip your thumbs and forefingers under the corners.

## How to play

1. Choose a Water Guardian's character.
2. Spell out the character's name. As you say each letter, open and close the chatterbox frontwards then sideways.
3. Choose one of the numbers next to the questions.
4. Count up to the number, while opening and closing the chatterbox frontwards then sideways.
5. Pick a number again.
6. Ask the question that is after the number.
7. Open the number for the answer.
