

Orford Sewerage Network Upgrade

Construction Update
April 2025

We are continuing to make significant progress on the Orford Sewerage Network Upgrade, which is on track for completion by early May 2025.

Once finished, this project will improve the performance and reliability of Orford's sewerage network, helping to reduce overflows, increasing infrastructure reliability and improving outcomes for the environment.

What we've achieved so far:

- **Pump stations complete** – Construction and commissioning of the new sewage pump stations at Prosser Bridge, The Hedge, Our Park, West Shelly, and Wade Bridge are now complete.
- **New pipeline installed** – A new sewer pipeline has been successfully built between the Orford Sewage Treatment Plant and Our Park Sewage Pump Station.
- **Restoring natural values** – We've planted grasses at Prosser Bridge and added shrubs and trees at The Hedge Sewage Pump Station site.

What's next:

- **Site remediation** – In April and early May, we'll continue remediating and tidying up all sites, including the access track along the Orford Foreshore near Wade Bridge and West Shelly Sewage Pump Stations.
- **Easter break** – Our team will be taking a short break from Friday, 18 April, returning Monday, 28 April 2025.
- **Minor works** – Some minor works will continue into early May.

Our Park Sewage Pump Station Art Project – the votes are in!

The community has spoken – Concept 1 is the winning design for the new switch room at Our Park Sewage Pump Station. A big thank you to everyone who voted, shared ideas, and spread the word about this creative project!

Local artist Becski has completed painting the mural and we hope you like it as much we do! We have enjoyed working with Becski and the community to develop a design, and look forward to celebrating completion of the mural with you at our BBQ on 3 May 2025.

Thank you Orford!

Join us for a community BBQ

We're truly grateful for the support and patience shown by the Orford community throughout this project. To say thank you, we'd like to invite you to a community breakfast BBQ at Our Park on Saturday, 3 May 2025 from 8.30am – 11.00am.

Come along, enjoy a snack and chat about the project with our team. There will also be a roving entertainer to keep the children smiling!

Thank you once again, Orford, for your continued patience and support as we work to improve outcomes for the environment and deliver lasting benefits for your community.

How did we do? Let us know in our survey

We'd love to hear your thoughts on the project.

Please take a moment to fill out our short survey by following this link: <https://taswater.co/OrfordProject> or by **scanning the QR code**.
